

# WHAT'S NEW FOR 2002

## CAUTION - CERTAIN FEDERAL LAWS WERE NOT ADOPTED BY IDAHO

When these instructions were printed, Idaho had not adopted the most recent amendments to the Internal Revenue Code enacted in the Job Creation and Worker Assistance Act of 2002. Provisions such as bonus depreciation have not been incorporated into Idaho law. If the Idaho Legislature does not adopt these provisions retroactively in 2003, you must make adjustments on your Idaho return if you claimed these items on your federal return.

If you claimed the bonus depreciation for federal purposes, complete a separate Form 4562 for Idaho depreciation purposes without claiming any amounts for the additional 30% depreciation. Enter the difference between the federal and Idaho Forms 4562 as an "other" addition or subtraction on the Form 39R or 39NR.

The amendments to the Internal Revenue Code also provide for a deduction up to \$250 for educators for out-of-pocket expenses. If you are filing Form 40, any amounts deducted must be added back to Idaho income as an "other" addition on Form 39R. If you are filing Form 43, do not deduct these expenses.

For the most current information on whether Idaho has conformed to these changes, check the Idaho State Tax Commission Web site at [www2.state.id.us/tax](http://www2.state.id.us/tax).

## CREDIT FOR CONTRIBUTIONS TO IDAHO EDUCATIONAL ENTITIES INCREASED

The maximum credit for contributions to Idaho educational entities has increased to \$100 for single individuals and \$200 for taxpayers filing a joint return. The credit continues to be limited to 20% of your income tax liability.

Did you know you can file your Idaho income tax return electronically?

The benefits to you are:

- **FASTER REFUNDS.** The typical wait for e-filed refunds is 7-10 days. Taxpayers who file paper returns wait 6-10 weeks for their refunds.
- **FEWER ERRORS.** Computer calculations are automatic and virtually error-proof.
- **DIRECT DEPOSITS.** Refunds can be deposited directly into your bank account in as few as 10 days.
- **AVOID POST OFFICE LINES.** No more last minute postal runs or doubt about correct postage.
- **CREDIT FOR USING E-FILE.** The State Tax Commission allows a \$2 credit on your return when you file electronically.
- **IMMEDIATE VERIFICATION OF RECEIPT.** Returns can't be "lost in the mail."
- **FILE NOW, PAY LATER.** E-file accepts both refund and tax due returns.

Ways to access :

- **E-FILE WITH YOUR TAX PREPARER.** All tax filing programs require both the federal and state returns to be e-filed simultaneously. Please request this service from your preparer.
- **E-FILE FROM YOUR OWN COMPUTER.** Access our Web site at [www2.state.id.us](http://www2.state.id.us) and click on "Electronic Filing." There you can choose to file your Form 40 or Form 43 using one of several software programs available for a modest fee.
- **E-FILE USING OUR WEB SITE.** Taxpayers who qualify to file using Form 40EZ, and have previously filed an Idaho income tax return, may file using our Web site at no charge. See page 4 for Form 40EZ qualifications.

**E-FILE IS FAST, SECURE, CONFIDENTIAL, AND EASY!**

## GENERAL INFORMATION

### AMENDED RETURNS

Use Form 40 or 43 to amend your return. Check the amended return box at the top of the form. Enter the applicable reason(s) for amending, as listed below. Complete the entire form and schedules using the corrected amounts.

1. Federal Audit
2. Net Operating Loss Carryback - Attach Form 56C or a schedule showing the application of the loss.
3. Other - Attach an explanation.

Use Form 40 to amend your Form 40EZ.

If you are amending a Form 40 or 43 for a tax year prior to 2001, complete the appropriate Form 40 or 43 for that year and write the words "Amended Return" at the top of the return.

### AMERICAN INDIANS

If you are an enrolled member of a federally recognized tribe and live on a reservation, all income received from reservation sources is exempt from Idaho taxation. If you have no other income, you are not required to file.

If you have other income in an amount that meets the federal filing requirement, you must file an Idaho return. For specific instructions, see Form 39R or Form 39NR.

### AUDITS

An audit is a review of a return to make sure it was prepared according to tax law. You will be contacted if your return is to be audited. The auditor will ask to see your records and compare them with your return. You may present your records yourself or have someone represent you or come with you. Any change to your return will be explained. Question anything you don't understand.

#### Federal Audit

If your federal taxable income or tax credits change because of a federal audit, you must send written notice to the Tax Commission within 60 days of the final federal determination. You must include copies of all schedules supplied by the Internal Revenue Service. If you owe additional Idaho tax and do not send written notice within 60 days, a 5% negligence penalty will be imposed. Interest applies on any tax due. If the final federal determination results in an Idaho refund and the statute of limitations is closed, you have one year from the date of the determination to file for the refund.

### COMMUNITY PROPERTY

Because Idaho is a community property state, each resident spouse has a one-half interest in the earnings of the other resident spouse during the portion of the year they were married. If married for only a portion of the year, the community income includes ONLY the income earned during the time the couple was married. When filing separate returns, the community income, withholding and deductions of both resident spouses must be divided equally between husband and wife.

Idaho law affects your federal return in the same manner. For more details, obtain federal Publication 555, Federal Tax Information on Community Property. If you were a resident of Idaho for only a portion of the year, Idaho law applies to that portion of the year you were a resident. Income is identified as community or separate income based on the laws of the state in which the recipient is a resident.

Community property laws do not apply when the spouses have lived apart for the entire year, no part of the income earned by one spouse has been transferred to the other spouse, and the spouses do not file a joint income tax return.

Income, withholding and deductions received or paid after divorce are separate property and must be reported on the return of the person to whom it applies.

If you divorced during 2002 or are filing separately from your spouse, attach a schedule showing how community property income and deductions were divided.

### DECEDENT'S TAX RETURN

If a taxpayer dies before filing his return, the return must be filed by the taxpayer's spouse or personal representative. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If your spouse died in 2002 and you did not remarry in 2002, you can file a joint return. You can also file a joint return if your spouse died in 2003 before filing a 2002 return. A joint return should show your spouse's 2002 income before death and your income for all of 2002. Write "FILING AS SURVIVING SPOUSE" on the line where the decedent would have signed the return. If someone else is the personal representative, he must also sign the return.

If a refund is due, attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Form 1310 is not required when a surviving spouse files a joint return with the decedent or a personal representative files for the decedent.

### ESTIMATED PAYMENTS

Idaho does not require estimated payments for personal income tax. If you wish to make a voluntary estimated payment, file Form 51 with your payment.

### EXTENSION OF TIME FOR FILING

If you cannot file your return by the due date, Idaho allows you an automatic six-month extension of time to file. To avoid paying a penalty, the amount of tax withheld and other payments you have made must be at least 80% of your current year tax liability or 100% of the total tax reported on your income tax return for the preceding tax year. File Form 51 with your payment.

Even though an extension gives you additional time in which to file, the tax is due on the original due date of the return. You must pay interest on any tax not paid by the original due date of the return.

### FILING STATUS

Your Idaho filing status must be the same as the filing status used on your federal return. For example, if you file a joint federal return, you must also file a joint Idaho return.

### FILING YOUR RETURN

#### What To File

A complete copy of the federal income tax return must be attached to the Idaho income tax return if you are filing Form 40 or 43.

#### When To File

You must file your return and pay any income tax due:

- On or before April 15, 2003, for the calendar year 2002, or
- On or before the 15th day of the fourth month following the close of the fiscal year, if you file on a fiscal year basis.

#### Where To File

Mail the return and payment to:

IDAHO STATE TAX COMMISSION  
PO BOX 56  
BOISE ID 83756-0056

## GENERAL INFORMATION

### INCOME

An Idaho resident is taxed on all income, including income from outside the state. A nonresident of Idaho is taxed only on income from Idaho sources. An Idaho part-year resident is taxed on all income received while living in Idaho plus any income received from Idaho sources when not living in Idaho.

### Gross Income

Gross income means all income you received in the form of money, goods, property, and services that is not exempt from tax. Gross income is measured before subtracting allowable deductions. Gross income includes, but is not limited to:

- All income from wages, salaries, tips, interest and dividends that is not exempt from tax
- Self-employment income before expenses
- Farm income before expenses
- Rental income before expenses
- Shareholders and partners include their share of the gross income from the S corporation and partnership
- Unemployment compensation
- Certain scholarship and fellowship grants
- Gains derived from sales of property
- Pensions and annuities

Scholarships received by degree candidates that are used for tuition, fees, supplies, books, and equipment required for particular courses are not included in gross income.

### INTEREST

Interest applies on delinquent tax from the original due date of the return until the tax is paid at the rate of 5% per year (rate effective 1-1-2003 to 12-31-2003).

### MILITARY PERSONNEL

Idaho law generally follows federal law regarding which type of military pay (active duty, disability, reserve and retirement) is taxable.

You are a military service member if you are a member of the United States Army, Navy, Marine Corps, Air Force, Coast Guard, or an officer of the Public Health Service detailed for duty with the Army or Navy.

The residency of a qualified service member is presumed to be that member's military home of record.

### Idaho resident on active duty stationed in Idaho

If Idaho was your military home of record and you were on active duty stationed in Idaho, all of your military wages and all nonmilitary income, regardless of the source, are subject to Idaho tax. File Form 40

### Idaho resident on active duty stationed outside of Idaho

- You joined the armed forces while a resident of Idaho and Idaho is your military home of record; and
- You were on active duty for 120 or more consecutive days; and
- You were stationed outside of Idaho for all or a portion of the year.

All of your income is reportable to Idaho. However, only military wages received while stationed in Idaho and all nonmilitary income, regardless of the source, will be subject to Idaho tax. File Form 43 and check the "Idaho Resident on Active Military Duty" residency status box.

If you joined the armed forces while an Idaho resident and Idaho is your military home of record, you are considered a nonresident if you meet all the requirements for "Special-case Idaho Residents" shown on page 4. As a nonresident, you are required to file an Idaho income tax return if your gross income from Idaho sources exceeds \$2,500.

### Nonresident on active duty stationed in Idaho.

If your military home of record is not Idaho and you were on active duty stationed in Idaho for all or a portion of the year, Idaho does not tax your military income. Nonmilitary income from Idaho sources is subject to Idaho tax. File Form 43 if your gross income from Idaho sources exceeds \$2,500. The instructions for Form 43 begin on page 10.

### NET OPERATING LOSS

A net operating loss is the excess of business deductions (computed with certain modifications) over total gross income in a particular tax year. Use Form 56 to compute your loss and Form 56C, or a schedule showing the application of the loss.

The net operating loss generally must be carried back to the two preceding years. The carryback is limited to a maximum of \$100,000. Any remaining loss may be carried forward until used, but no longer than 20 years.

- You may elect to forego the two-year carryback provisions and carry the loss forward up to 20 years.
- This election must be made before the due date, including extensions, of the loss year return and may not be revoked.
- To make the election, check the box on line 13, Form 40, or line 29, Form 43, or attach a copy of the federal net operating loss election, or attach a statement to the loss year tax return clearly indicating that you elect to forego the carryback. Include your name, address, social security number, and the amount of loss.

### PAYMENTS

Make your check or money order payable to the Idaho State Tax Commission and attach it to your tax return. Write your social security number on your check, cashier's check or money order.

The Idaho State Tax Commission accepts Mastercard and Visa credit and debit cards for payment of taxes. To pay by credit card, complete and attach Form CCV, Credit Card Payment Voucher; visit our Web site at [www2.state.id.us/tax](http://www2.state.id.us/tax) and click on the "Electronic Payments" button; or call (800) 972-7660. You may also make credit card payments in person at any Tax Commission office, or by using Form CCV, included in this packet.

### PENALTIES

Penalties may be imposed on the tax due as follows:

- 0.5% per month or fraction of a month to a maximum of 25% for failure to pay the tax due (if return is filed)
- 2% per month or fraction of a month for failure to meet the extension criteria (the return must be filed and the taxes paid by the extended due date)
- 5% per month or fraction of a month to a maximum of 25% for failure to file the return timely
- 5% for negligence or disregard of rules
- 10% for substantial understatement of tax
- 50% for filing a false or fraudulent return

The minimum penalty is \$10.

### RECORDKEEPING

You are required by law to keep records that will enable you to prepare a complete and accurate income tax return. Although the law does not require any special form of records, you must retain all receipts, canceled checks, and other evidence to prove amounts claimed as deductions. Keep all supporting records for income or deductions until the statute of limitations for the return expires. Usually this is three years from the due date or the date the return was filed. In property transactions, the basis of new or replacement property may be determined by the basis of the old property. Keep these records as long as they are needed to determine the basis of the original or replacement property.

### REFUNDS WHEN NOT REQUIRED TO FILE

If you are not required to file an Idaho return, no tax is due even if the calculation shows taxable income. If you are filing only to

## GENERAL INFORMATION

receive a refund of amounts withheld, you do not pay the \$10 permanent building fund tax or receive the grocery credit. Write "NRF" (Not Required to File) on the lines for "Tax from tables or rate schedule" and "Permanent building fund tax."

### REFUND SEIZURE

Under state law, the Tax Commission may retain state income tax refunds to satisfy other outstanding tax debts. The Department of Health and Welfare and the Department of Labor may seize all or part of your income tax refund to offset debts you may owe these agencies. Also, refunds may be seized to satisfy bankruptcy claims, sheriff's garnishments, or debts owed to the Internal Revenue Service. The agency or party seizing the refund is required to send you notice of the action. Questions regarding a refund seizure should be directed to the agency or party that initiated the claim for seizure.

### ROUNDING AMOUNTS

The amounts on your return must be rounded to the whole dollar. An amount less than 50 cents is reduced to the whole dollar. Amounts of 50 cents or more are increased to the next whole dollar.

### RESIDENCY

#### Are you a resident, a nonresident, or a part-year resident?

The following will help you decide:

- You are an Idaho resident, even though you live outside Idaho, if the following are true:
  - You think of Idaho as your permanent home.
  - Idaho is the center of your financial, social, and family life.
  - Idaho is the place you intend to return to when you are away.
- You are also an Idaho resident if the following are true:
  - You maintained a home in Idaho the entire year.
  - You spent more than 270 days in Idaho during the tax year.
- You are a nonresident if your permanent home is outside of Idaho all year.
- You are a part-year resident if you moved into or out of Idaho during the tax year. You are still a full-year resident if:

- You temporarily moved outside of Idaho, **or**
- You moved back to Idaho after a temporary absence.

### Special-case Idaho Residents

You are considered a nonresident if **all** of the following are true:

- You are an Idaho resident who lived outside of Idaho for at least 445 days in a 15-month period.
- After satisfying the 15-month period, you spent less than 60 days in Idaho during the year.
- You did not have a personal residence in Idaho for yourself or your family during any part of 2002.
- You did not claim Idaho as your federal tax home.
- You were not employed on the staff of a U.S. senator or representative.
- You did not hold an elective or appointive office of the U.S. Government other than the armed forces or a career appointment in the U.S. Foreign Service.

### SIGNATURES

You must sign your return. Your spouse also must sign if you file a joint return. If your return is prepared by a paid preparer, he must enter his name, address, and identification number. If a taxpayer is deceased or cannot sign his return, an authorized person may sign the return indicating his status or relationship. Write "FILING AS SURVIVING SPOUSE" or "unable to sign" in the signature space. If a taxpayer signs with an "X", his mark must be witnessed.

### TAX PREPARER CONTACT BOX

This box applies only if you paid a tax preparer to complete your return. If you check the box, you are authorizing the Tax Commission to contact your preparer to resolve any questions related to your return.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.

### TAX YEAR AND ACCOUNTING METHOD

The tax year and accounting method used on your Idaho return must match those used on your federal return.

# FORM 40

Instructions are for lines not fully explained on the form.  
General information instructions beginning on page 1 also apply to this form.

## HEADING

Use the peel-off mailing label on the back cover of this booklet. Make any corrections by crossing out the wrong information and printing the correct information on the label. If you do not receive a label, write your name and address in the spaces provided.

Write your social security number in the spaces provided. If filing a joint return, write the social security numbers of both you and your spouse.

If you do not have a social security number, contact the Social Security Administration, Postal Service or the Internal Revenue Service to obtain an application, Form SS-5. File this form with the local office of the Social Security Administration. Apply early enough to make sure you receive a number by April 15. If your return is due before you receive your number, file the return and write "Applied for" in the space for the number. The Idaho Tax Commission will contact you for the number.

Be sure that your return and Form(s) W-2 show the correct social security number. An error in your social security number will delay your refund.

## AMENDED RETURN

Form 40 can be used as an original return or as an amended return.

If you are filing this form as an amended return, check the box at the top of the form. Enter the applicable reason(s) for amending, as listed below. Complete the entire form and schedules using the corrected amounts.

1. Federal Audit
2. Net Operating Loss Carryback - Attach Form 56C or a schedule showing the application of the loss.
3. Other - Attach an explanation.

## NEXT YEAR'S FORMS

If someone else prepares your return and you need forms mailed to you next year, check the box below your name and address.

## LINES 1 THROUGH 5 FILING STATUS

Check the box indicating the same filing status shown on your federal return. Refer to federal instructions for further information on filing status.

## LINE 6 EXEMPTIONS

Exemptions claimed on your Idaho return must match the exemptions claimed on your federal return.

**Line 6a and 6b. Yourself and Spouse. CAUTION:** If you can be claimed as a dependent on another person's tax return, such as a parent's return, do not check the box indicating yourself. Instead, check the box on line 14c.

If you cannot be claimed as a dependent on another person's return, you may claim one exemption for yourself. Check the box for "Yourself." If you are married filing a joint return, you can also claim an exemption for your spouse. Check the box for "Spouse." If your spouse died during 2002 and you are filing a joint return, you may claim the exemption for your spouse.

**Line 6c. Other Dependents.** Enter the number of other dependents claimed on your federal return.

**Line 6d. Total Exemptions.** Enter the total number of exemptions. Add lines 6a through 6c.

## LINES 7-8 IDAHO ELECTION CAMPAIGN FUND

The Idaho Legislature established this fund to provide financing for qualified political parties. If you want \$1 of your income tax to go to the Idaho Election Campaign Fund, check the box beside the

party of your choice. If you are filing a joint return, your spouse may also designate \$1 to the same party or to a different party. If you check "No specific party," the amount will be divided among the parties by a formula prescribed by law. This will not increase your tax or decrease your refund.

If you are filing an amended return, you must check the same boxes as checked on the original return.

## LINE 9 FEDERAL ADJUSTED GROSS INCOME

Enter the adjusted gross income reported on your federal return: Line 35, Form 1040; Line 21, Form 1040A; or Line 4, Form 1040EZ.

## LINE 13 IDAHO ELECTION TO FOREGO NOL CARRYBACK

Check the box on line 13 if you elect under Section 63-3022(c), Idaho Code, to forego the Idaho carryback period for a net operating loss (NOL). If you check this box, you do not need to attach a separate statement electing to forego the Idaho carryback period.

## TAX COMPUTATION

### LINE 14a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself." If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse." Age is determined as of December 31. However, if your 65th birthday was on January 1, 2003, you may consider yourself 65 on December 31, 2002. The boxes you check must match your federal return.

### LINE 14b BLIND

The box for "Yourself" must be checked if the taxpayer is blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

### LINE 14c CLAIMED DEPENDENT

If you can be claimed as a dependent on your parent's or someone else's tax return, check this box. You may itemize deductions or use the standard deduction. Complete the worksheet on page 6 to determine your standard deduction.

## LINES 15-18 ITEMIZED OR STANDARD DEDUCTIONS

Most people can find their standard deduction by looking at the instructions to the left of line 18, Form 40. However, if you check the box on line 14a or 14b, use the chart on page 6 to find your standard deduction. If you check the box on line 14c, use the worksheet on page 6 to figure your standard deduction. You may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income taxes shown on Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If line 17 is more than line 18, you should use your itemized deductions on line 17. If line 18 is more than line 17, you should use your standard deduction on line 18.

**YOU MUST ITEMIZE** if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you had dual status as a nonresident alien for part of 2002 and during the rest of the year you were a resident alien or a U.S. citizen. However, you do not have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2002 and you and your spouse agree to be taxed on your combined worldwide income.

# FORM 40

CLAIMED DEPENDENTS. If someone else can claim you as a dependent, complete the following worksheet.

## STANDARD DEDUCTION WORKSHEET FOR DEPENDENTS

## STANDARD DEDUCTION CHART FOR PEOPLE AGE 65 OR OLDER OR BLIND

If someone can claim you (or your spouse if married filing jointly) as a dependent, use the worksheet for dependents.

If your filing status is . . .	and the number of boxes checked on line 35a & b is _____	then your standard deduction is . . .
Single	1	\$ 5,850
	2	7,000

	2	11,200
	3	12,100

## FORM 43

the box on line 35a or 35b, use the chart to find your standard deduction. If you check the box on line 35c, use the worksheet to figure your standard deduction. You may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see **YOU MUST ITEMIZE**.)

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income taxes shown on Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If line 38 is more than line 39, you should use your itemized deductions on line 38. If line 39 is more than line 38, you should use your standard deduction on line 39.

**YOU MUST ITEMIZE** if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you were a nonresident alien for any part of 2002. However, you do not have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2002 and you and your spouse agree to be taxed on your combined worldwide income.

**CLAIMED DEPENDENTS.** If someone else can claim you as a dependent and you are claiming the standard deduction, complete the following worksheet.

### STANDARD DEDUCTION WORKSHEET FOR DEPENDENTS

- 1a. Enter your federal earned income. Earned income includes wages, salaries, tips, other employee compensation, net earnings from self-employment, strike benefits and any disability pay you report as wages. If none, enter -0- ..... 250

2. Minimum amount ..... 750
3. Compare the amounts on lines 1c and 2. Enter the larger of the two amounts here. ....
4. Enter on line 4 the amount shown below for your filing status:
  - Single, enter \$4,700.

  - c. Add lines 5a and 5b. Enter the total here and on line 39. ....

**FEDERAL LIMITATIONS ON ITEMIZED DEDUCTIONS.** Some of your itemized deductions may be phased out if your federal adjusted gross income is more than \$137,300 (\$68,650 if you are married filing separately). Since this figure is the same as the limit on your federal itemized deductions, use the amount computed on the federal Itemized Deductions Worksheet and reported on your federal return.

Since state income taxes are affected by the limitation, your state income tax addback (line 37) must be reduced if your itemized deductions are limited. Adjust your state income tax addback as follows:

1. State and local income tax reported on federal Schedule A .....
2. Itemized deductions affected by the limitation (line 3 of federal Itemized Deductions Worksheet) .....
3. Divide line 1 by line 2. Round to the nearest whole percent. (Cannot exceed 100%) ..... %
4. Enter the amount from line 9 of the federal Itemized Deductions Worksheet. ....
5. Multiply line 3 by line 4. ....
6. Subtract line 5 from line 1. Enter this amount on line 37. ....

### LINE 40 EXEMPTIONS

The allowable Idaho net operating loss carryover will then be claimed as a subtraction on line 1, Part B.

### LINE 2 CAPITAL LOSS CARRYOVER

### LINE 3 NON-IDAHO STATE AND LOCAL BOND INTEREST AND DIVIDENDS

This information is available from the preparer of the partnership or S corporation return. For example: Interest income from other state governments not taxable for federal purposes is not included on a federal Schedule K-1. The partner or shareholder must report that interest income here.

#### IDAHO MEDICAL SAVINGS ACCOUNT WITHDRAWALS

If you withdraw funds from an Idaho medical savings account and do not use the funds to pay eligible medical expenses, the withdrawal is subject to Idaho tax. Report this amount as an other addition. Eligible medical expenses include medical, vision and dental care, medical insurance premiums, and long-term care expenses.

If you make a withdrawal that is subject to tax and you are under age 59 1/2, the withdrawal is subject to penalty. The penalty is 10% of the amount withdrawn. Report the penalty on line 56, Form 40, and check the box for an ineligible withdrawal.

#### FEDERAL BONUS DEPRECIATION

If you claimed federal bonus depreciation, you must complete a separate Form 4562 to compute your Idaho depreciation without claiming any amounts for the special depreciation allowance. To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and may not be a replacement.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

### LINE 5 ALTERNATIVE ENERGY DEVICE DEDUCTION

If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid). Qualifying devices include:

- a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA) certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that does not meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

# FORM 39R

The natural gas or propane heating unit, the EPA-certified wood stove, or pellet stove must be installed the same tax year that the nonqualifying wood stove is turned in to the DEQ.

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year.

If the expenses are incurred in two or more years, deduct the costs in the year paid until the \$3,000 limit has been met. The expenses related to an unsuccessful attempt to adopt are not deductible. If expenses were claimed in a year prior to such a determination, file an amended return to add back any deduction claimed for the unsuccessful attempt.

## LINE 12 IDAHO MEDICAL SAVINGS ACCOUNT CONTRIBUTIONS AND INTEREST

An Idaho medical savings account is generally established with a bank, savings and loan, or credit union. The account is established to pay eligible medical expenses of the account holder and the account holder's dependents.

Interest earned on the account is included on line 12, but only if included on line 9, Form 40. Add your qualifying contributions to the interest earned on the account. Enter the name of the financial institution and your account number in the spaces provided.

No more than three deductions of \$1,000 are allowed. If you claim this deduction, you cannot claim the \$100 credit in Part D. Developmental disability means a chronic disability which:

1. Is attributable to an impairment such as:

- Mental retardation
- Cerebral palsy
- Epilepsy
- Autism
- Other condition found to be closely related to, or similar to, one of these impairments; and

2. Results in substantial functional limitation in three or more of the following areas of life activity:

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information on dependents.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. Social Security benefits are not support provided by you but must be included in the computation of total support provided. Some examples of expenses of maintaining a household include: property taxes, mortgage interest, rent, utility charges, upkeep and repairs, property insurance and food consumed on the premises.

If you claimed federal bonus depreciation, you must complete a separate Form 4562 to compute your Idaho depreciation without claiming any amounts for the special depreciation allowance. If the federal depreciation is less than the Idaho depreciation, include the difference as a subtraction on this line. Attach the Form 4562 used to compute the Idaho depreciation.

Identify any other subtraction to which you are entitled and claim the amount on this line. Do not include income earned in another state as a subtraction.

### LINE 21 TOTAL SUBTRACTIONS

Total your subtractions and enter the amount on line 12, Form 40.

## PART C. CREDIT FOR INCOME TAX PAID TO OTHER STATES

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state. Use this section to compute the credit. You must attach a copy of the other state's income tax return and Idaho Form 39R to your income tax return. If your S corporation or partnership paid income tax to another state, attach a copy of your Schedule K-1. If credit applies to more than one state, use a separate Form 39R for each state.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

**LINE 1** Enter the tax shown on line 22, Form 40.

**LINE 2** Enter the total portion of federal adjusted gross income derived in the other state, modified to reflect Idaho additions and subtractions. In computing the income derived in the other state, you must reverse any adjustments to federal taxable income allowed by the other state that are not applicable to Idaho. If you reported your income derived in the other state by filing an:

- individual return, enter your adjusted gross income from the other state restated to a basis comparable to Idaho adjusted income. For example, if the other state taxes interest received from U.S. obligations, deduct this amount from the other state's adjusted gross income as Idaho does not tax this interest.
- S corporation or partnership composite or group return, enter your pro rata share of the S corporation or partnership income derived in the other state. The corporation's or partnership's income must be restated to a basis comparable to Idaho adjusted income. For example, if the S corporation or partnership deducted state income taxes in computing its income, add this amount to the S corporation or partnership income and recompute your pro rata share as Idaho does not allow this deduction in computing Idaho adjusted income.

**LINE 3** Enter your Idaho adjusted income from line 13, Form 40.

## FORM 39R

**LINE 4** Divide line 2 by line 3. Round the percentage to the nearest whole number. For example, 45.49% should be entered as 45%; 45.50% should be entered as 46%. The percentage cannot exceed 100%.

**LINE 6** Enter the other state's tax due from its tax table or rate schedule less its income tax credits. If your income derived in the other state was reported on a composite or group return filed by an S corporation or partnership, enter your pro rata share of the tax paid by the S corporation or partnership less your pro rata share of the income tax credits. Income tax credits are those credits that relate to income tax. An example of a credit that is not an income tax credit is a special fuels or gasoline tax credit or refund.

**LINE 7** Your allowable credit for tax paid to other states is the smaller of line 5 or line 6. Enter this amount on line 24 of Form 40.

### **PART D. MAINTAINING A HOME FOR A FAMILY MEMBER AGE 65 OR OLDER OR A FAMILY MEMBER WITH A DEVELOPMENTAL DISABILITY**

family member age 65 or over or a family member with a developmental disability. Refer to the instructions for Part B, line 14. If the home was maintained for the family member less than a full year, the credit is allowed at the rate of \$8.33 for each month the home was maintained.

You may claim this credit if your gross income is less than the filing requirement. File Form 40 and attach Form 39R to your return. Only full-year residents, including Idaho residents on active military duty outside Idaho, may claim this credit.

**LINES 1 and 2** Answer the two questions. If you answer yes to either question, you qualify.

**LINE 3** Enter the name, social security number, relationship, and date of birth of your family member(s) for whom you maintain a home and provide more than one-half of their support. If the claim is for a family member with a developmental disability, check the box.
